Thank You

Thank you for using BT Model DTT. This R/C car is designed to be fun to drive and uses top quality parts for durability and performance. This instruction manual you are reading was designed to be easy to follow yet thorough in its explanations. We want you to enjoy driving your DTT of BT Model.

⚠ Caution	Failure to follow these instructions can damage your R/C car or its accessories, and cause serious bodily injury or death.
⚠ Attention	Failure to follow these instructions can cause injury to yourself or others.

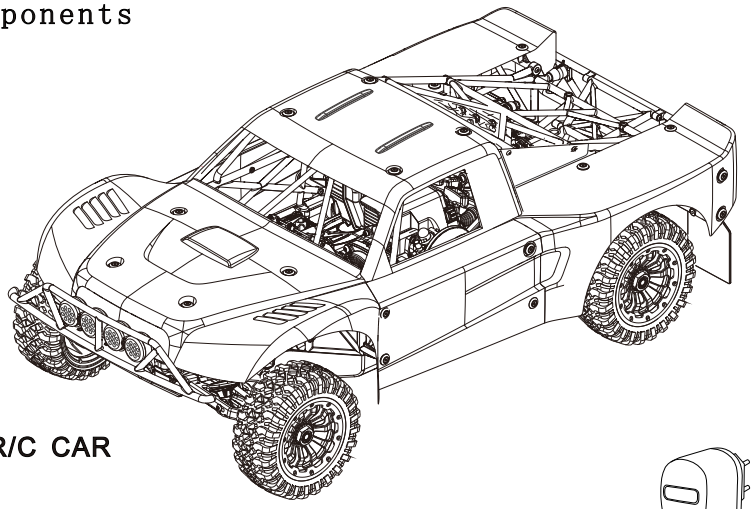

⚠ Caution

To prevent any serious personal injury or damage to property, please be careful when operating all remote controlled models. Extra attention is called for when operating any fuel powered model. These R/C car max. speed can reach 80km/h and use highly poisonous and flammable fuels. Children are forbidden to play below the age of 14.

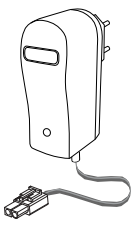

Safety Guidelines When Operating Gasoline Engines

- This product uses a mixture of gasoline and two cycle oil for fuel. Please take extreme caution when handing gasoline.
- Do not run near open flames or smoke while running your model or while handling fuel.
- Always store fuel in well ventilated place, away from heating devices, open flames, direct sunlight, or batteries.
- Gasoline is flammable and poisonous. Gasoline powered model engines emit poisonous vapors. These vapors irritate eyes and can be highly dangerous to your health.
- You must only use a mixture of gasoline and two cycle oil as fuel for this engine. Never use glow fuels intended for R/C cars.
- Be aware that some parts will be hot after operation. Do not touch the exhaust or the engine until they have cooled.
- After running, please empty the fuel tank before storing the car.
- Keep fuel away from children.
- Store in a well ventilated area.
